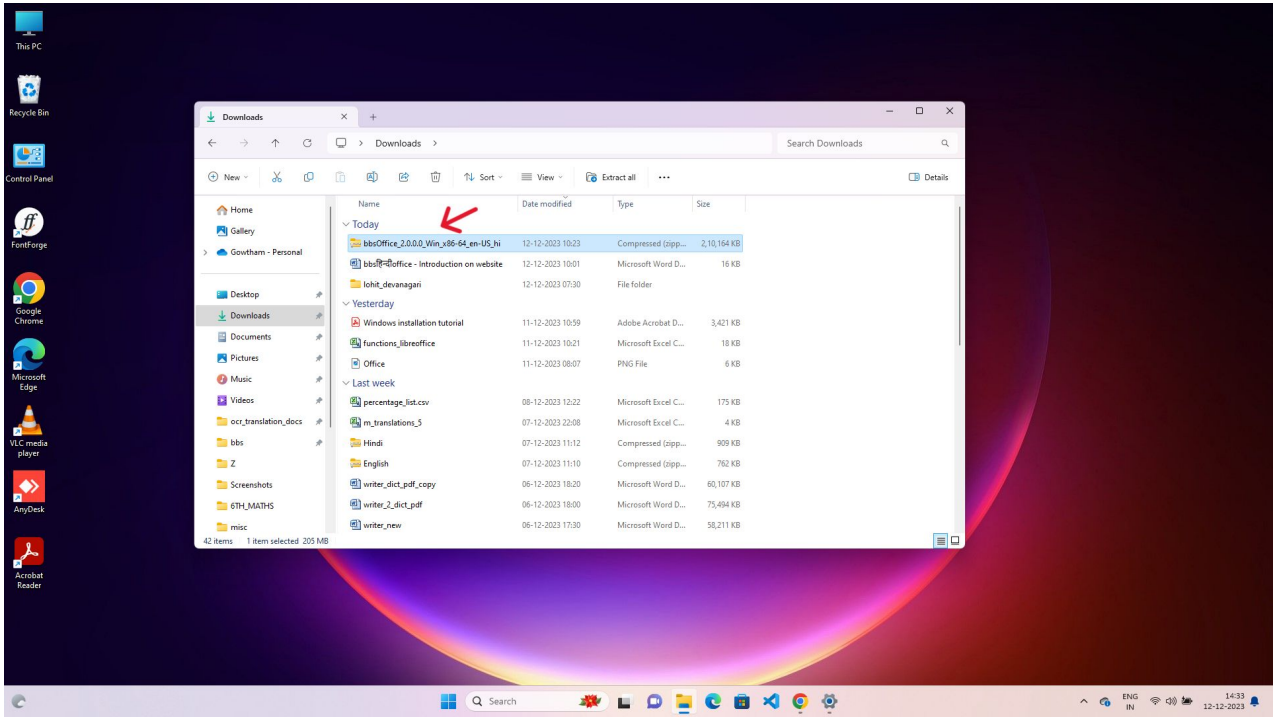
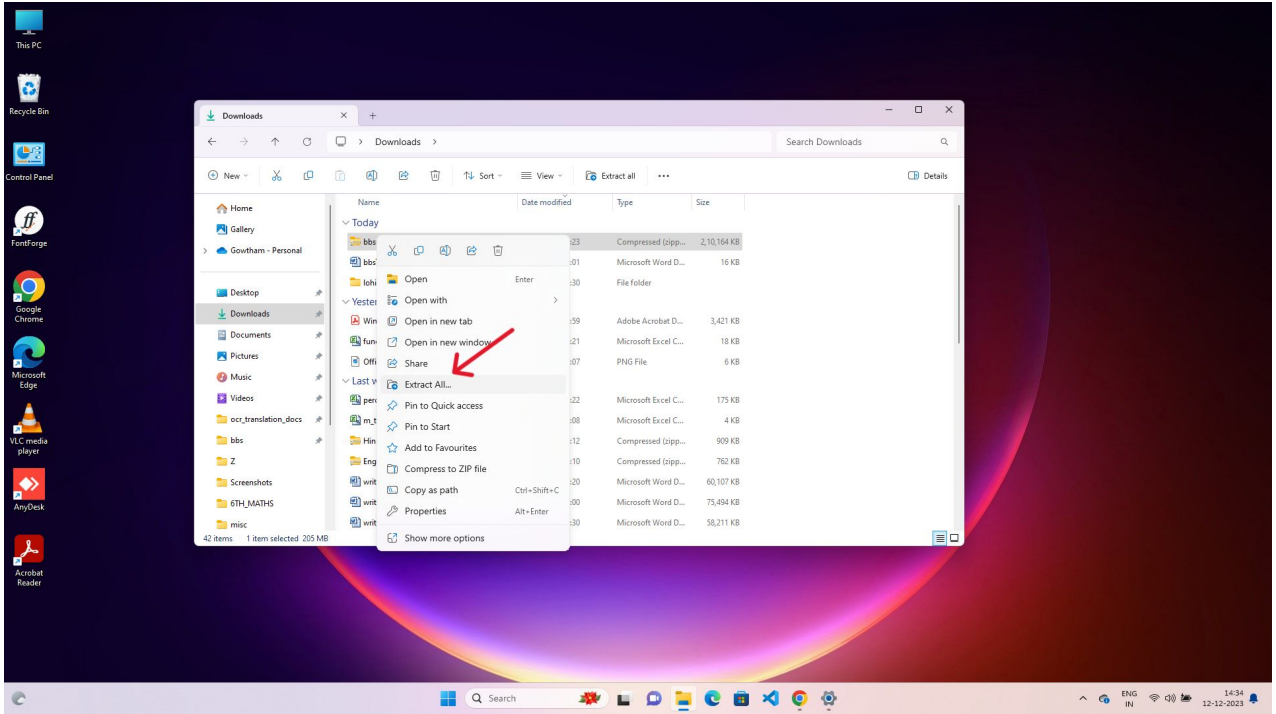
Windows installation guide for bbsहिन्दीOffice

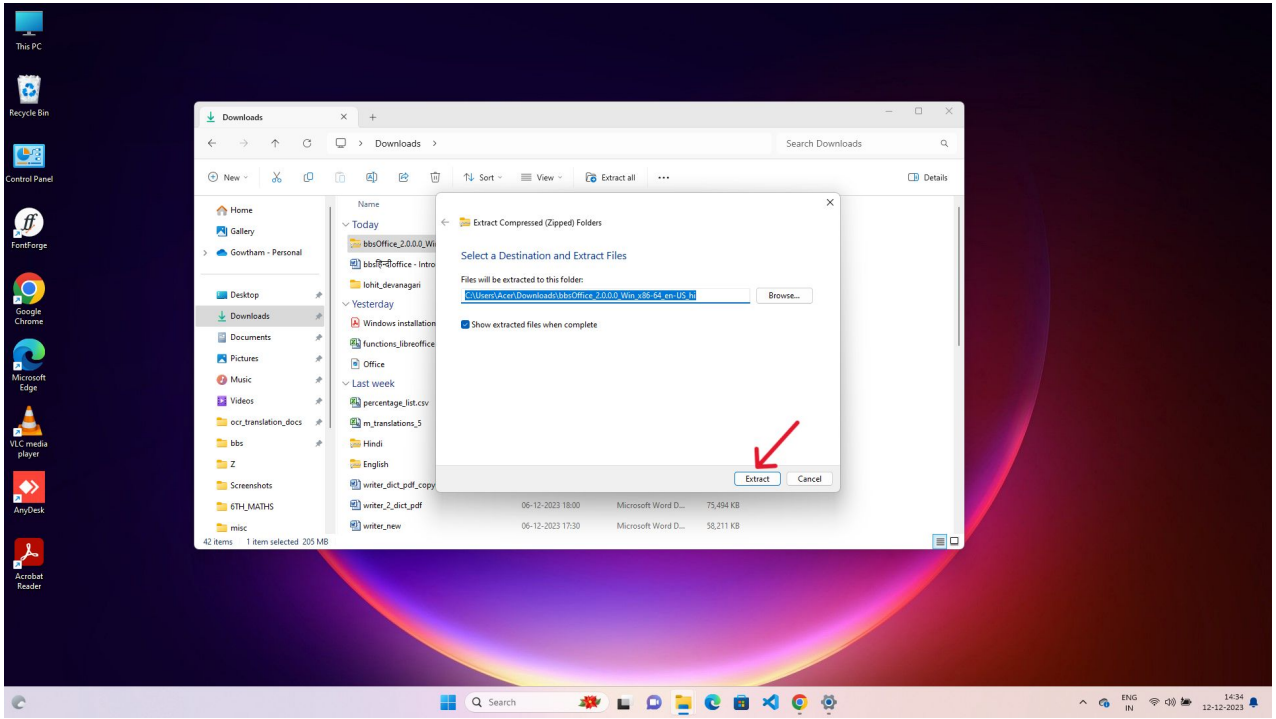
When you press download button, the zip file of the msi file gets added to your downloads folder.



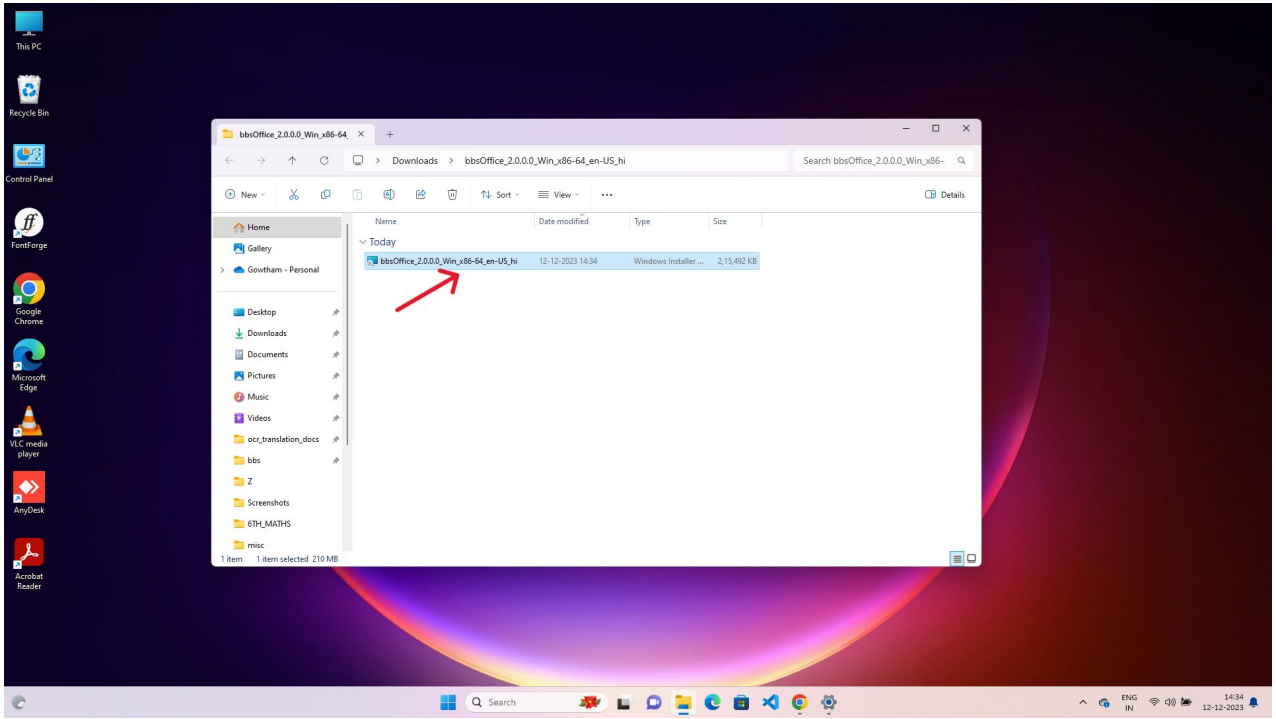
Go to downloads folder and choose **bbsOffice_2.0.0.0_Win_x86-64_en-US_hi.** Right click on the chosen zip file.



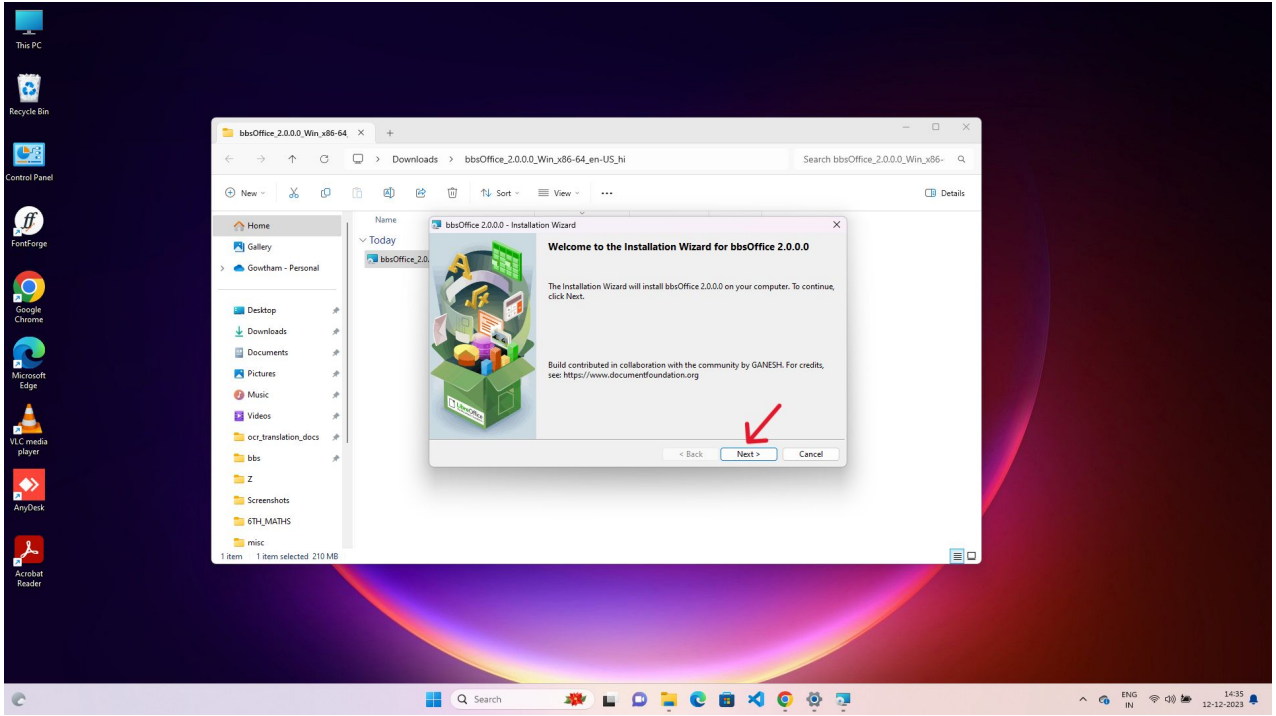
When you right click on the chosen folder, you will see a dropdown list as shown in the image above. Chose the highlighted “Extract All” option in the dropdown list and click on it.



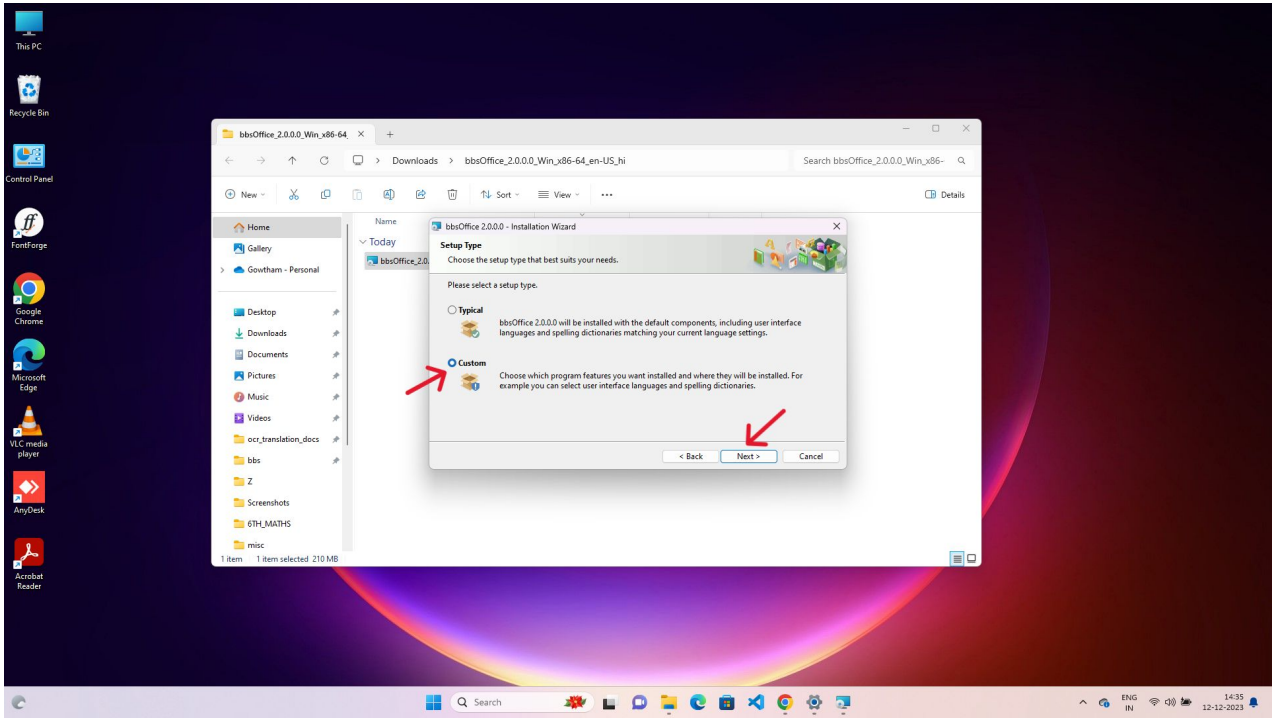
Now click on “Extract” button as shown in the image above.



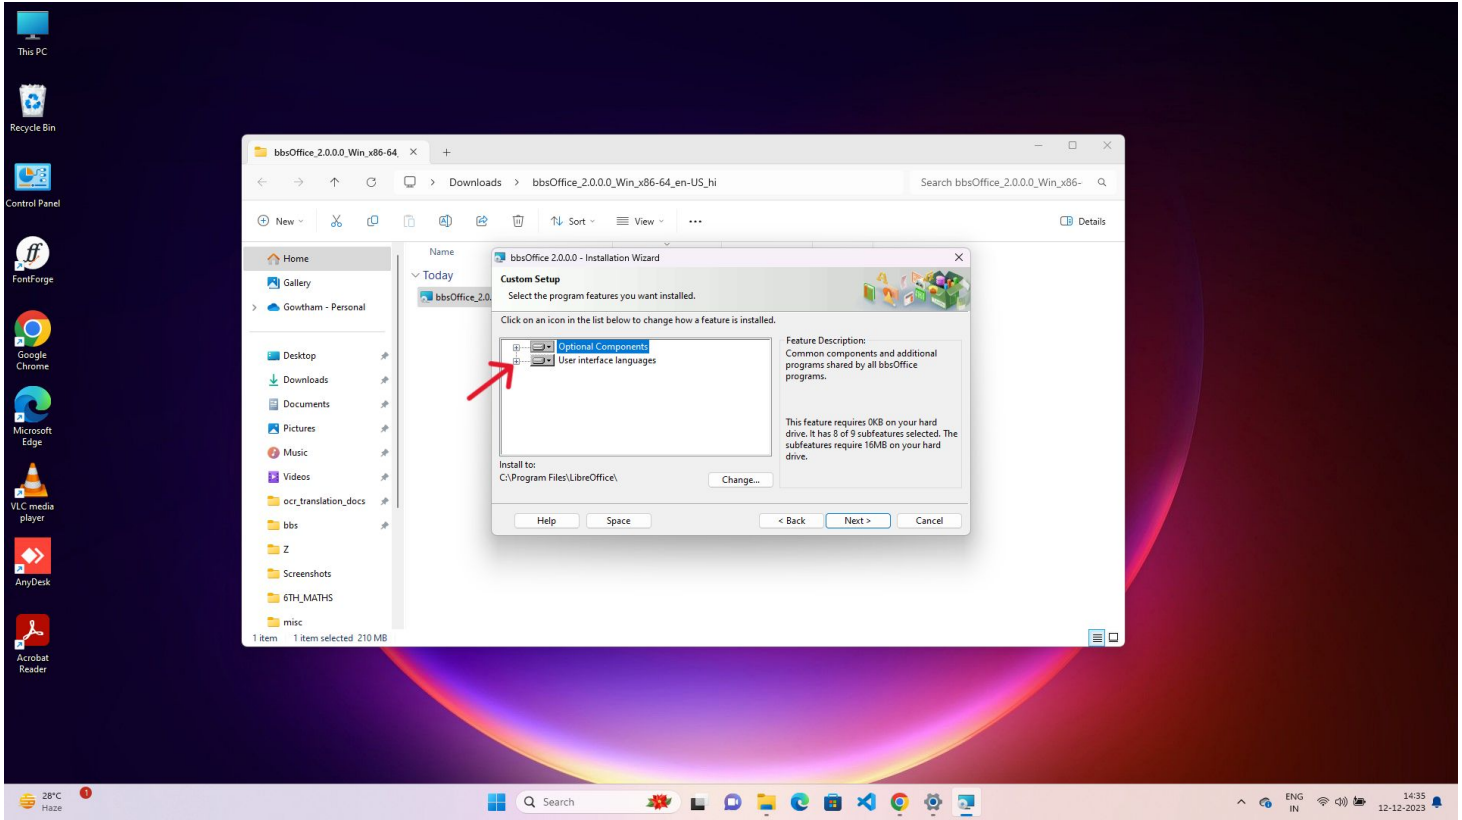
Now the extracted msi file will appear as shown above. Click on it to commence the installation of bbsहिन्दीOffice.



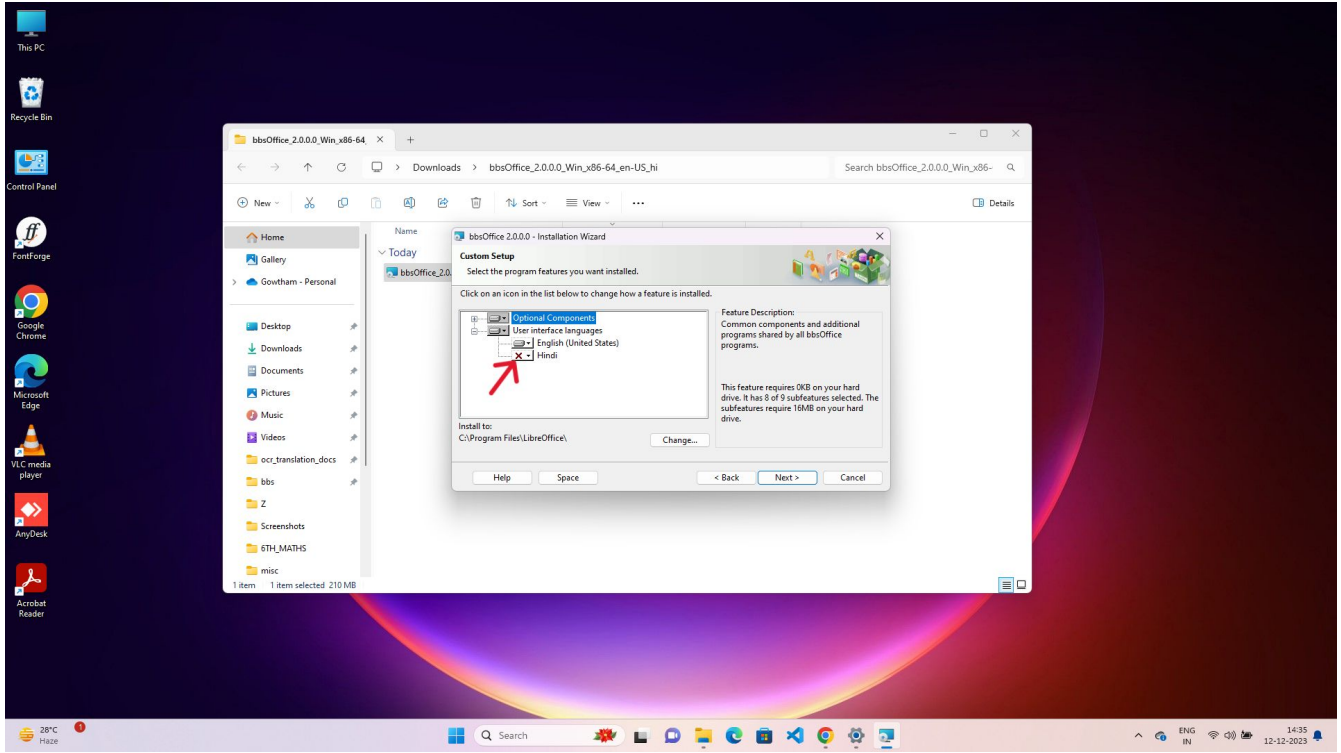
Now click on “Next” button as shown above.



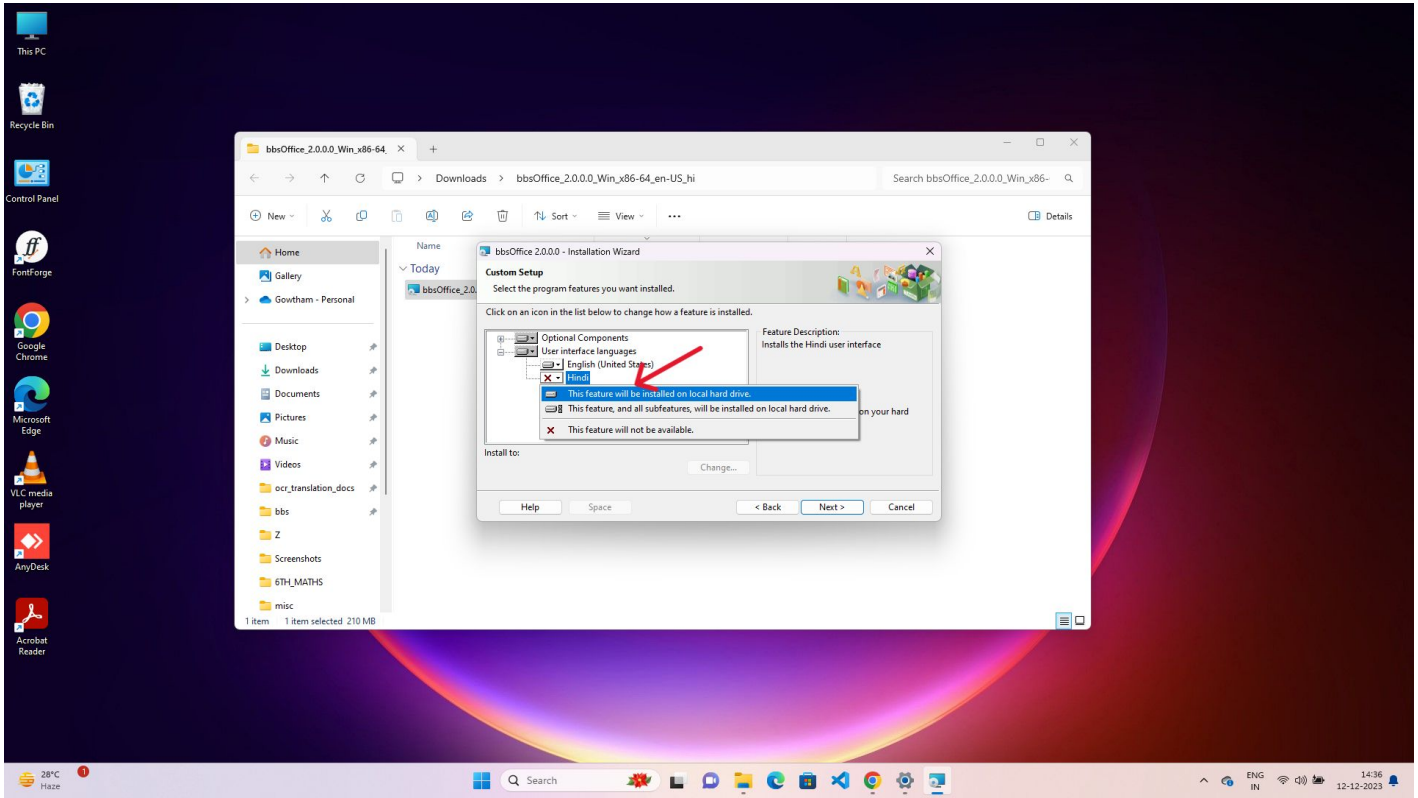
To install the hindi language pack, click on the custom option as indicated by the arrow. Then click on the Next button.



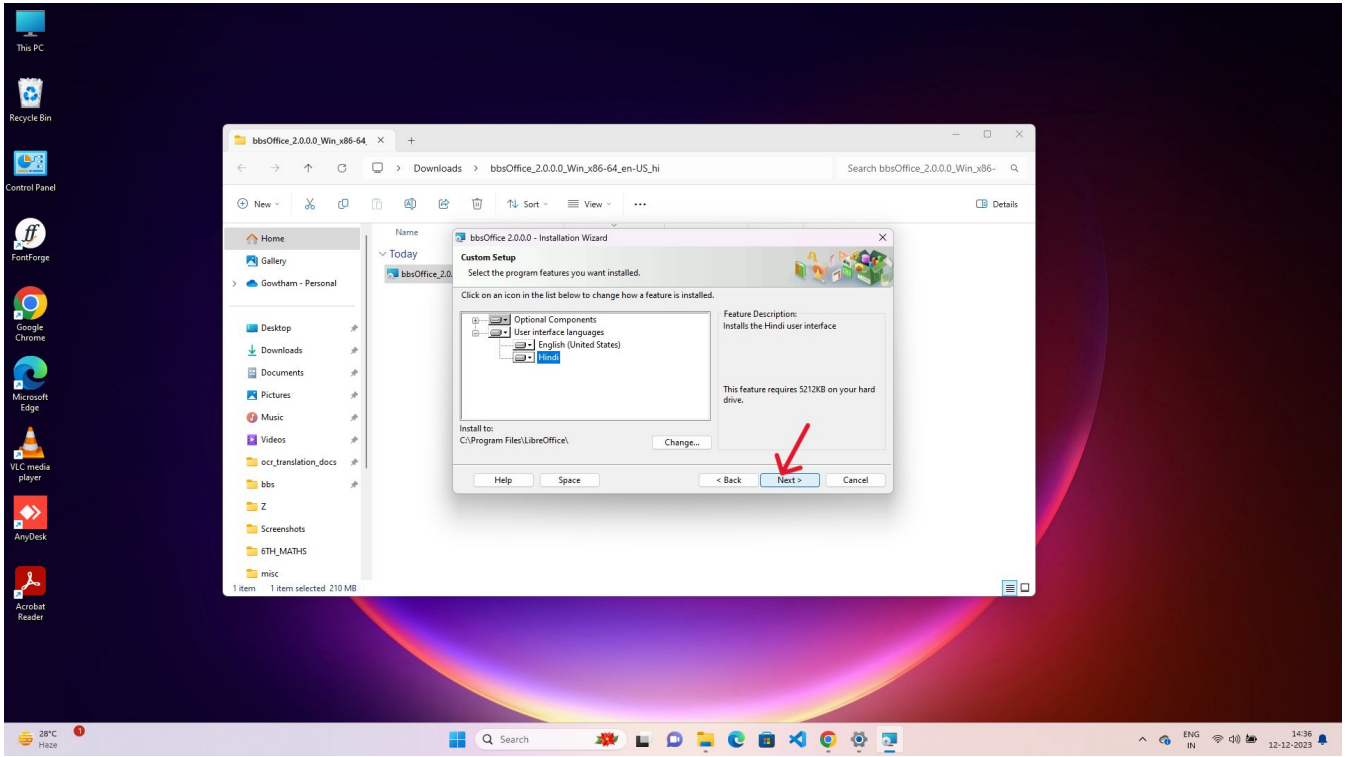
Now you can see 2 options. Select the 2nd ⊞ icon as indicated by the arrow in the above image.



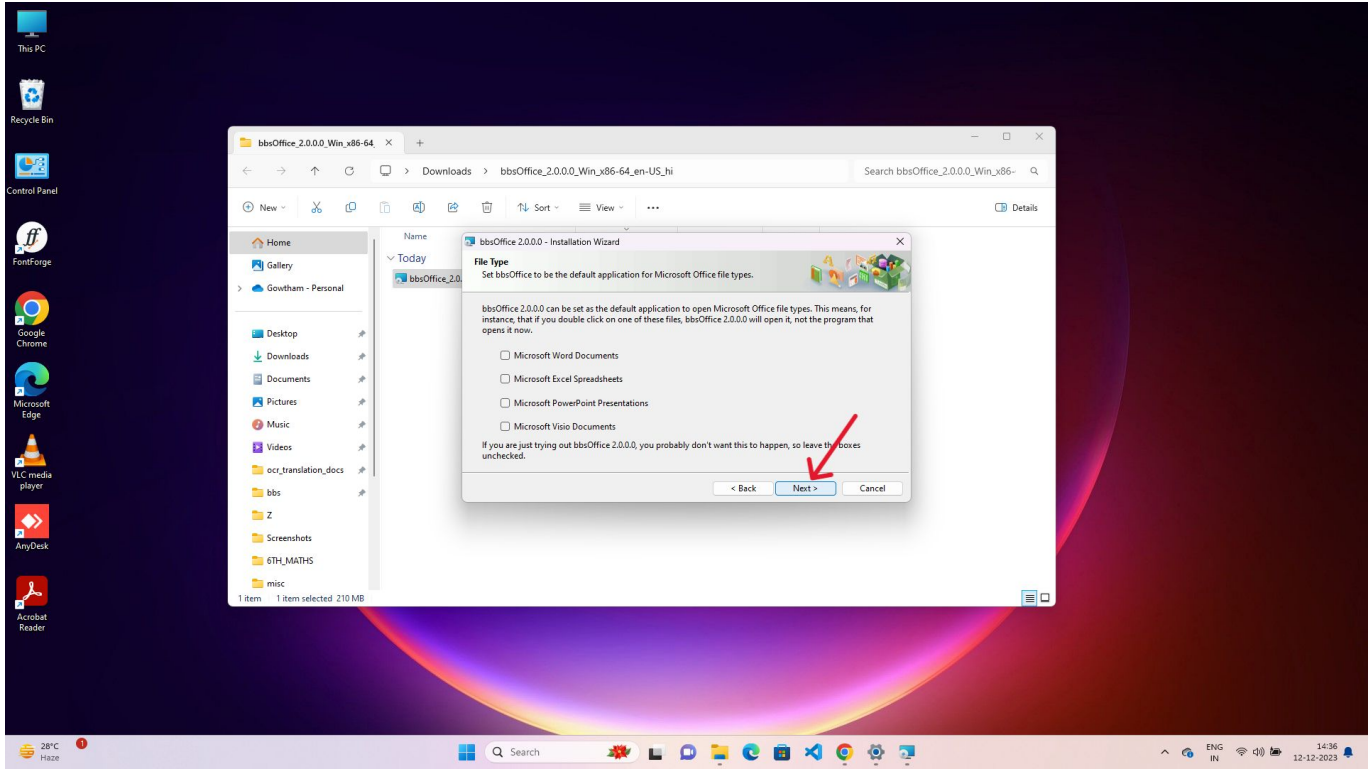
In the above image, you can see 2 language options - English (US) and Hindi. Click on the dropdown button left of Hindi.



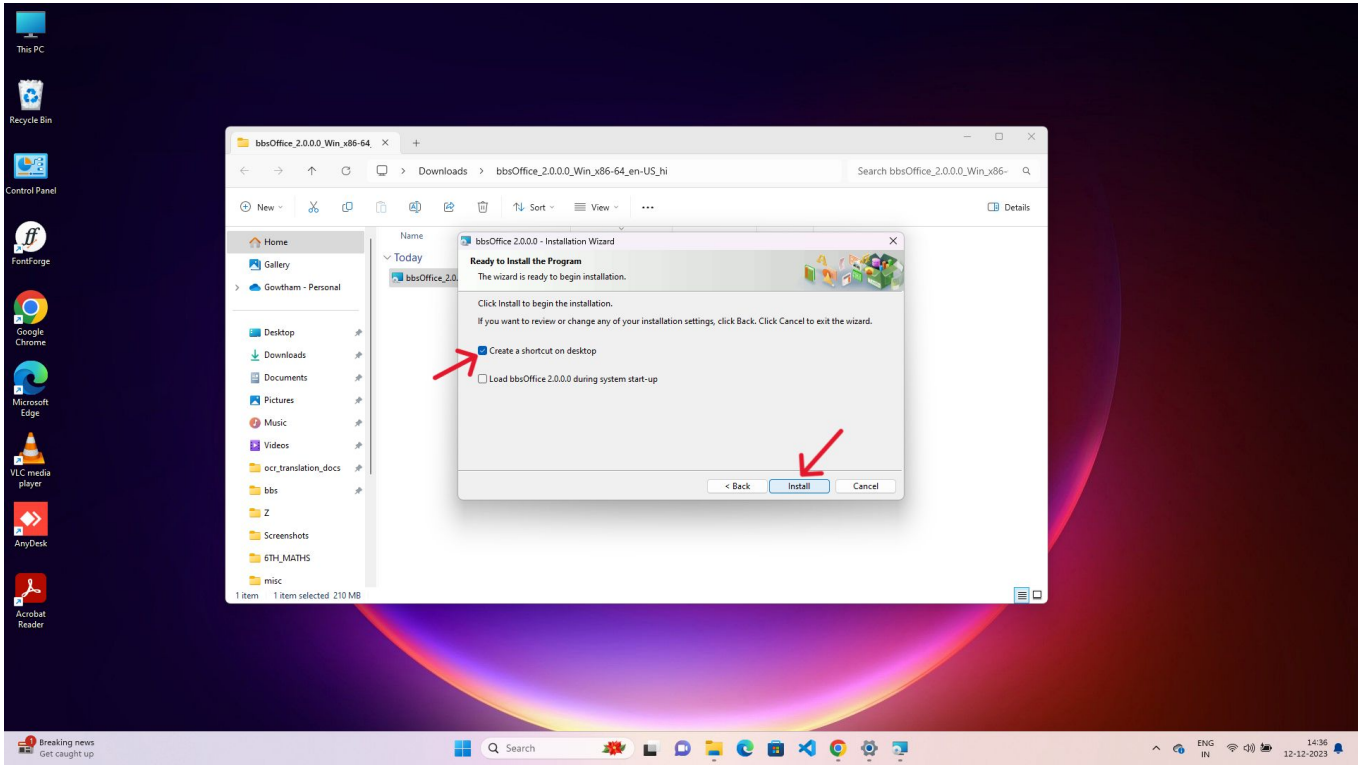
Here you can 3 options in the dropdown list. Choose the option as shown in the above image and click on it.



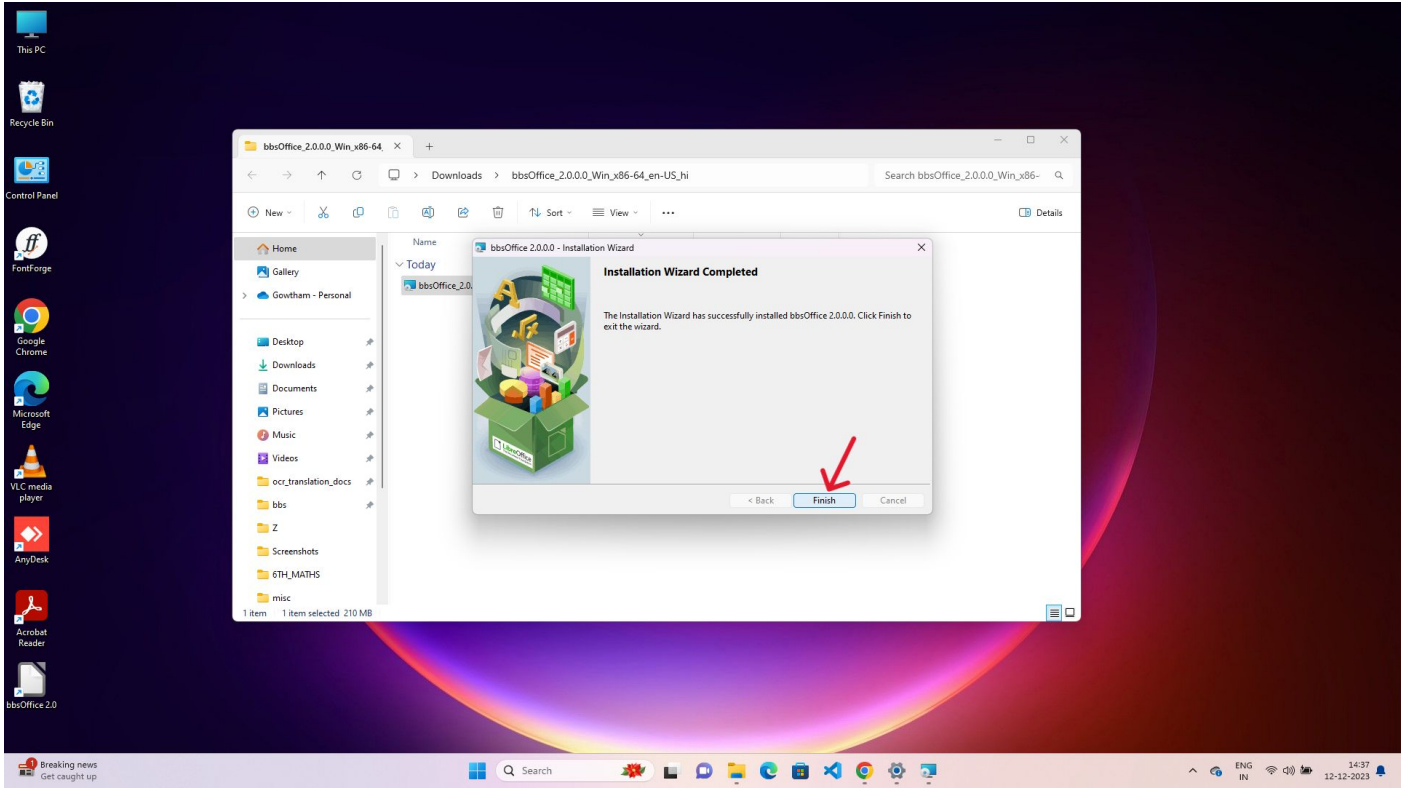
Now to complete the installation, click on the Next button as shown in the above image.



Now click on the Next button as shown in the above image.



Now choose “create a shortcut on desktop” option. Click on “Install” button as shown above. Now the installation will commence and may take some time. Do not cancel the process until the installation is completed.



Congratulations! Your bbsहिन्दीOffice installation is completed. Click on “Finish” button and enjoy using bbsहिन्दीOffice.
